Rosie Maconochie - a young woman with a dark secret. Sam - an infantryman fighting to survive on the notorious Western Front. A chance discovery in an old bookshop seems, at first, quite insignificant. But when Rosie's circumstances take a sudden, terrible turn, her tenuous hold on life is shaken to its roots. Soon she begins to find her journey uncannily mirrored in a manuscript penned by an unknown soldier. Both of them struggling with the issues of mortality and meaning, both staggering helplessly towards breaking point - what awaits them as they go over the top? Life, death, eternity. In every generation, there are some questions that remain the same. Set on two timelines, this compelling story will speak to anyone wrestling to understand God's heart for this broken world.
