Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Literary Studies of Poems, New and Old* The following is chiefly a selection from papers written for English literature classes at the Ladies College, Cheltenham. Others are reprints from various periodicals. The first two were written for meetings of our Guild of old pupils, at which were given respectively scenes from Dante, and from Spenser's *Faery Queene*. I have thought it best to leave them in their original form. The allusions in the *Britomart* paper are to stained glass windows representing six episodes in the story, (1) *Britomart* is looking into the magic mirror. (2) She is clothing herself in armour in the Church. (3) She is defending the Red-cross Knight. (4) She is passing through the fire. (5) She meets Sir *Arthegall*. (6) She sends him out to accomplish his work. About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books.
