

Earthly Freight (Paperback)

By Lindsay Knowlton

iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Earthly Freight is a beautiful and brave collection of poetry, abounding with rich life experience carefully considered. In the tradition of Yeats and Frost, Lindsay Knowlton uses images from the natural world of manatees and waxwings and oxen and owls to reveal profound truths about human events and relationships, from the untimely death of a beloved brother to a difficult father to loves failed and blessed. With Earthly Freight, Knowlton shows us how, by paying close attention, we can enrich and validate our own lives and loves. This is a marvelous book. -Howard Frank Mosher, novelist Disappearances, Where the River Flows North There s certainly something to be said for the notion that poetry is-or can be-a kind of mathematics, with subject elements factored in rather than out. What you get is not computable, but not arguable either. Take these lines from Knowlton s Central Park, touching on the simultaneous advents of spring and a brother s fatal cancer: . . .I saw that facts/were chaff, /that in perishing s lone distillery/exactitude drifts/like a petal. They may not prove anything, but they are...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
