TRACE ELEMENTS (PAPERBACK)

Gsapp Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Trace elements are minerals that exist in minute quantities necessary for the growth and development of cells. Exposure to excessive quantities is toxic, but without them our bodies would atrophy. They are the crystalline structures that support life. Over the past decade, Aranda Lasch has focused obsessively on these structures as a form of both organization and expression for architecture. Their projects explore the interplay between...
