Reluctant to begin his journey into the unknown, Ashar meets up with some strange creatures that may either help him on his adventure or deter him from the path God has set him on. Come along on a pilgrimage with this grief-stricken rabbit that has recently lost his entire family to tragedy, as he continually fights either the battle of his own mind to turn back home or roaming predators that lurk in the shadows of the dark desert. Will he make it to his final stop that could lead him to his destiny and be part of one of the Bible's biggest events in human history or will he turn back to his comfortable life in his burrow and remain lonely without a companion? With the debut of his first novel, Louis Amparan, is making his own journey towards the final destination that God has for him. He was born, raised and continues to reside in Texas with his wife, Natalie, along with their dog, Xena, and two cats, Tristan and Raptor.
