By Department of Commerce and Labor

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Circular of the Bureau of Standards, Vol. 6: Fees for Testing Electrical and Photometric Standards and Electrical Measuring Instruments This circular gives the fees established by the Bureau of Standards for tests of electrical, magnetic, and photometric standards and measuring instruments. It supersedes previous editions of Circular 6, and also supersedes the schedules of fees given in the following Circulars: No. 17, Magnetic Testing, December 1, 1910; No. 20 Testing of Electrical Measuring Instruments, October 1, 1909; No. 21, Precision Measurements of Resistance and Electromotive Force, March 1, 1910. Future editions of the circulars just mentioned will be published without the lists of fees. They contain information regarding the classes of apparatus to which they pertain and the Bureau methods of testing. Copies of any of them will be sent to interested persons upon request.
