World Scientific Publishing Co Pte Ltd. Paperback. Condition: new. BRAND NEW, Never Lose Your Nerve!, Alan J. Heeger, Never Lose Your Nerve! chronicles the ups and downs of a Nobel Laureate's life. Professor Alan J Heeger was awarded the Nobel Prize in Chemistry in 2000 together with Professor Alan G MacDiarmid and Professor Hideki Shirakawa. Filled with humor, this book tells Professor Heeger's story - his love for his family, especially how his wife's love has always been his guiding light, his progress from a young student to an eminent scientist, his passion for the theatre and its impact on his science, his adventures as a successful entrepreneur, and his personal losses. Many think of scientists as risk-adverse individuals but Professor Heeger shows the absolute necessity of risk in research and that scientists are, in fact, risk-addicted, as taking the first, risky step into unfamiliar territory is a step in the right direction towards creativity and great discoveries. Never lose your nerve and you will be rewarded. Life is an exciting adventure and this book clearly demonstrates it, and is for those who are looking to impact others.
