

Global Issues in Employee Benefits Law (Paperback)

By Paul Secunda, Samuel Estreicher, Rosalind Connor

West Academic, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Like the other books in the Global Issues series, the aim of this book is to provide global materials that would either supplement an introductory course in employee benefits law or stand alone as an advance course on Global Issues in Employee Benefits. The book focuses on developing issues in international, comparative, and transnational employee benefits law. It is divided into four subject matter areas which practitioners of employee benefits law will need to become familiar with in order to thrive in our increasingly global economy and legal practice. These areas include: (1) sovereignty and jurisdictional issues involving the Employee Retire Income Security Act of 1974 (ERISA); (2) public and private pension issues with emphasis on the trend toward privatization and defined contribution plans; (3) public and private healthcare issues surrounding national healthcare systems and private health insurance schemes; and (4) the intersection between employment discrimination laws throughout the world and global employee benefit law issues. Because of the relatively recent nature of these materials and the consequent lack of primary case law in the countries of origin, this book benefits from a number of foreign...
