ISLAND WIFE tells the story of a woman s life. Judy, at 19, met her future husband, who whisked her off into an adventure, a marriage of over forty years, and a life on a remote Hebridean island. Along the way she bears five children, learns how to run a rocky hill farm, a hotel, a recording studio and the first whale watching business in the UK - all the while inventively making fraying ends meet. When her children start to leave home, things fall apart and there is sadness and joy in how she puts things back together. Funny and tender, this is a book of endless horizons and a breath of fresh air.
