DIMENSION NORRAENA: DISCOVERY (PAPERBACK)

Dog Ear Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Struggling with accepting that her ability to teleport brings both the excitement of amazing possibilities and the peril of being enslaved in sex-trafficking or losing her life, Skye Winter can only move forward-there is no going back. Zalehr Gullkron s scintillating affection and energy tantalizes her romantically in Norraena, while Jake Landers, her handsome colleague and anthropologist at home, persuades her to be exclusively with him. Still indecisive, the dilemma continues for Skye as her emotions are buffeted between her two lovers. Her sociopathic enemy, Ryan Eddington, recuperates from fighting FBI forces while his newly appointed right-hand man, Alex Montoya takes his place, meeting the teleporting Mohrks in person. Unknown to them, Mohrkhavn has captured Skye and imprisoned her at Desert Thorn Castle. Skye must depend on the Norraenders this time and an astonishing interaction with a wild, giant panther-Kitty. Ultimately, Skye is faced with finding a way to trust herself. GOLD Freddi Gold has previously been published in magazines, and periodicals as a non-fiction author. Her short stories found their way into several anthologies. Dimension Norraena; Discovery is the second novel of a trilogy. A former licensed psychotherapist, television and radio host, she also teaches family and intercultural communication. Gold holds a PhD in Human Behavior and Master s in Clinical Psychology. Fascinated with global cultural interaction, metaphysics, myths and alien lore, Gold embraces the life of a writer.
