Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.The first three stories in the Virgin Chronicles are here together in one extra value volume: *Virginity for Sale*. Nineteen year old student Kirsty was broke and didn't know how she was going to pay the rent. She did, however, have two things going for her, as her best friend was keen to point out. She was absolutely stunning for a start and she was also - somehow - still a virgin. With her repulsive landlord making unreasonable demands for the rent arrears, the girls hatch a plan to sell her cherry. More *Virginity For Sale*. Kirsty sold her virginity to the highest bidder, without realising what a game changer it was going to be. Now she had a weekend ahead of her at the carnal whim of two couples - all 4 of them were going to use Kirsty to suit their own personal taste and that meant a lot of variety! She arrived as a girl but would definitely be leaving a woman. Another *Virginity For Sale*. Teenage college girl Kirsty auctioned her virginity and lost in a debauched weekend that left her very sore and half a million pounds better off. Now her new lovers, middle-aged millionaires Grant and Elizabeth want more of her but only if she brings them a new virgin for deflowering. Kirsty knew just the girl and quickly went to work on gorgeous Indian girl, Neeta.
