Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Kinship in the Philippines This essay attempts a review of the more readily available data on the terminologies in use, among the natives of the Philippine Islands, for relatives by blood and marriage; an analysis of these data with a view to the determination of the Filipino system of kinship designation at a former period; the lines of growth of this system and their affecting causes; the relation of the system to contemporary institutions and cultural phases; and methodological inferences. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
