

## American Wake (Hardback)

Filesize: 6.05 MB

### **Reviews**

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*  
(Dr. Kayden Gerlach)

NewSouth Books, Albania, 2005. Hardback. Condition: New. Language: English . Brand New Book. Thomas Rabbitt's first book, *Exile*, won the U.S. Award of the International Poetry Forum in 1975, and, through another dozen collections over the years, he has continued to win the admiration of readers and other poets. As Fred Chappell observes, Mr. Rabbitt is the genuine article. Hardly a line in [*American Wake*] doesn't ring with wry, sad humor, along with a plentiful dose of self-mockery. Here is a poet who tries hard--always. *American Wake* contains fourteen new poems, plus poems from six of Rabbitt's previous books (several smaller books and chapbooks are not represented). The present volume is thus selected rather than collected, and the poems were chosen by the author on the basis of what caused him the least urge--looking back over three decades of writing--to slash and burn. As readers, we can be grateful that he resisted that instinct toward his earlier work, though he has always done both with our prejudices and preconceived notions. A formalist, traditionalist, modernist, post-modernist, outsider, scholar, and critic--Rabbitt is all and none. The only safe assumption one can make about this gifted writer is that his poems, as Rabbitt said, disturb the universe just by being.
