Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of Program Activities, Vol. 1: U. S. National Heart and Lung Institute The single most significant event of the year for the NIMH Intramural Research Program is the announced return of the NIHM to the NIH as a part of a larger reorganization of HSMHA. I will say more about this later on. As one looks back on fiscal year 1973, it is necessary to note that the political or administrative context in which the year s research program has taken place is one of many months of reorganization in DHEW and in the rest of the Federal Government, much shifting of Cabinet officers and other officials as a consequence of the re-election of President Nixon, many periods of confusion from such shiftings, and much muddling through of periods when, as one senior official remarked to me, There is now no effective governance in the Department. I am glad to say that throughout the year there was always effective governance in the NIMH. I hope there has been in the Intramural Program too,...
