

## Seven Years to Zero (Paperback)

Filesize: 9.47 MB

### ***Reviews***

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

*(Meagan Roob)*

Dzanc Books, 2017. Paperback. Condition: New. Language: English . Brand New Book. A miniature city constructed entirely of trash. An Explorer s Club, where an artist transforms conquest to artifice through the striking use of color. A squirrel cage where dead and poisoned thoughts ricochet like Bingo balls. A forest growing inside a gallery, complete with a living raccoon. These are just a few of the modern art landscapes, real and imaged, in Amy Benson s Seven Years to Zero, a collection of linked vignettes that blurs the line between fiction and memoir. In a narrative divided into seven years, the collection traces on couple s move to the metropolis, and their struggle with the decision of having a child in a world of factories, earthquakes, pollution, extinction, nuclear fallout and uncertain future. Through the lens of one couple, one city, and one child, Benson explores how art shapes awareness, and how awareness shapes our understanding of our place in a changing world.
