Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from McGill Fortnightly, Vol. 1: November 10, 1892 Away, away; their hearts ?ushed by hope, and their eyes kindled in the expectancy of beholding the new land. Strange birds winged around them strange fishes ?oated on the deep, and miles and miles of sea weed; then golden islands, storms, boisterous waves, and again a dead calm. There is a cry of land. It is the illusion of a cloud; and they push on again, and hope fills their sails. Dangers and disappointments thicken; the new land is not yet found; they are away from home, on seas where never sailed a ship before, and discontent, followed by threats of mutiny, are heard upon the ships. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
