HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Paradise calls to Chase Wilcox. A man of science, escaping the destruction of his own personal world, he is drawn to the lush beauty of the island of Hawaii and the secrets it holds. Here he intends to immerse himself in his work . . . and somehow heal and forget. A research assistant, an artist, and a dancer, Nicole Ballard also hides a secret pain. Together on an important scientific project in the moist, verdant heart of a tropical wonderland, both she and Chase will be forced to confront their own lingering inner darkness. But in the shadows of Mount Kilauea, a passion that burns like fire will erupt, as unpredictable and dangerous as the living volcano, transforming the very landscape of their lives. A classic story of desire, hope, and dangerous destiny from the incomparable New York Times and USA Today bestselling author Elizabeth Lowell.
