Open City Books, United States, 2010. Paperback. Condition: New. New. Language: English . Brand New Book. There s a Road to Everywhere Except Where You Came From is the memoir of a young Midwestern man struggling to carve out a life as a writer, and to find meaning, or at least a job, in his new and alien landscape of New York City. In a voice at once coolly detached and utterly confident, we follow Bryan Charles s journey navigating love, work, and family, from the streets of Manhattan to the upper floors of corporate America. This is a gripping meditation on the self, ricocheting between the multitudes and solitude, and between the industrial-turned-residential spaces of Brooklyn and the towers of the World Trade Center, where his life takes an unexpected turn. Charles s story is a spare, honest, and often hilarious narrative of expectation and loss, and of the ordinary becoming the extraordinary.
