

## Trace and Write Sight Words: 51 High-Frequency Words for Beginning Readers

By Angela y McKelton, Sandy L McCauley

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Trace and Write Sight Words workbook contains 51 high-frequency words students will come across in any text. Students should spend several days each week studying these sight words with a teacher/adult. The amount of time spent on each lesson will vary according to the ability level of the individual child. In order to increase fluency, parents and teachers can create sight word flashcards that students can use for daily practice. Sight words are divided into groups of three. Each word has lines for tracing and free-writing, followed by a sentence using the word. The sentences are provided to help your child see how each word is used in context. Once the student learns these high-frequency sight words, their reading fluency and literacy confidence will increase. Teacher notes: If the child has difficulty reading a word, the adult can use guided reading strategies to provide them with assistance. Eventually each student should be able to identify the high-frequency words through context and by seeing the beginning and ending letters of the word. The sentences provided do not only...
