

## A Balanced Budget Constitutional Amendment: Background and Congressional Options (Paperback)

By Congressional Research Service

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One of the most persistent political issues facing Congress in recent decades is whether to require that the budget of the United States be in balance. Although a balanced federal budget has long been held as a political ideal, the accumulation of large deficits in recent years has heightened concern that some action to require a balance between revenues and expenditures may be necessary. The debate over a balanced budget measure actually consists of several interrelated debates. Most prominently, the arguments of proponents have focused on the economy and the possible harm resulting from consistently large deficits and a growing federal debt. Another issue involves whether such a requirement should be statutory or made part of the Constitution. Some proponents of balanced budgets oppose a constitutional amendment, fearing that it would prove to be too inflexible for dealing with future circumstances. Opponents of a constitutional amendment often focus on the difficulties of implementing or enforcing any amendment. Their concerns have been numerous and varied. How would such a requirement affect the balance of power between the President and Congress? Between the federal...
