Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tales for Children From Many Lands The tales in this book have been chosen from many sources, which represent the old haunts of people, fairy-tale people, like Mother Hubbard and Simple Simon, who figure in rhyme or legend. Some of these tales have been forgotten, and some have been lost or long-buried; and there are several that may seem new to you who read them here to-day. Such a story is that of the elfin Green Knight, which is a case of a delightful old fairy-tale that grew into as delightful a romance. A romance indeed is little else than a fairy-tale for older folk. The romancers swapped (as schoolboys say) their good things, and in this way we get a story like that of King Arthur and the Giant of St. Michael s Mount, which comes from the noble old romancer, Sir Thomas Malory. For a fairy-tale, like a cat, has nine lives; it can pass into many queer shapes, and yet not die. You may cut off its head, or drown it in sentiment or sea-water, or tie a moral to its tail; but it will still survive, and be found sitting safe by the fire some winter night. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
