Following a military career, Alex Martell starts working for an auto tool company in London - which has a production factory in Albania. Alex becomes aware that this factory could possibly manufacture the machine gun which Alex has designed . that is, of course, if the factory owners in Albania can be persuaded to take that moral step. Meanwhile, on the other side of London, Gemma Lott is building up her computer game company with honest hard graft. Following a family tragedy, her sole focus is to give herself and her oldest friend, the outrageous Karla, a steady income. Then, by chance, a simple act of fate crosses the paths of Gemma and Alex. They fall deeply in love, get married and create a happy family. Alex keeps his real business a dark secret from Gemma. He is unable to tell her that the tool company in London, which he now owns, is actually a front for selling machine guns to terrorist organizations. Due to its expansion - most activities having been moved abroad for security reasons. Alex never feel secure but accept it as part of his life Years pass before Gemma suddenly stumbles upon the truth about her husband s seriously questionable profession. Their comfortable and seemingly happy life is within hours turned upside down. Shocked and horrified, she is confronted by a dilemma. The world press are demanding answers, which she can t give - while she is considering their children and their previous happy life together. Should she stand by her morale principles . or should she stand by her man? The depth of Alex s deceit not only puts Gemma and her family at...
