WIDE AWAKE AND DREAMING (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An explosion of heartbreaking and inspirational words, from the mind of a self-confessed insomniac, that will make even the most ardent, cynical critic of poetry fall in love with the often scoffed at literary genre. A roller coaster ride of emotional honesty, sexual frustration and painful memories that somehow manages to work in the themes of physics and mathematics, just to prove that nothing is off-limits. This book throws the poetry rule book out the window on page 1 and never looks back and it s just what you d expect when you expect the unexpected.
