

Fires in Lake Superior Iron Mines (Classic Reprint) (Hardback)

By Edwin Higgins

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Fires in Lake Superior Iron Mines Many mine fires have occurred on the Lake Superior iron ranges during the past 25 years. Some of them have resulted in serious loss of life and property. Certain operators, especially those who have experienced losses, realize the danger of underground fires and have adopted preventive and protective measures. There are others, how ever, who have not given the matter much thought, or who do not appreciate the necessity of special precautions for protecting their mines against fire. This feeling of safety is caused by the fact that many of the mines have had no fires during periods of 20 to 30 years. The purpose of this paper is to awaken the operator to the ever present danger of fire underground. Most of the suggestions regard ing prevention and protection are old and well known, and although some of them are at present in use, there are still a great number of mines provided with little or no protection. Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and usefuf. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
