Dufour Editions, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Adjusting to the sweltering heat of the Mississippi Delta is the least of Teri s troubles. Dragged there by her mother s ill-advised search for career development, she must now drudge her way through a new school, the constant tension between her parents, and the duplicitous nature of teenagers and adults alike. But then she meets a strange boy at school, Nother Martin, and as their relationship develops she is drawn into a world of moonshine and roadhouses, fortune tellers and grizzled Blues legends. In contrast to her own tangled relationships, she finds comfort in Nother s strong family bonds and his roots in the depthless South. As Teri learns about bad behavior and untimely death, she discovers a better, wiser version of herself. The mind of a smart teen girl is a universe that has attracted many writers, and David Racine s Teri is one of the best. A tightly woven and gorgeously written report from inside a unique person, by a writer who knows the world and doesn t allow it to lie. -Andrei Codrescu A complex story line, well-developed characters, evocative descriptions, and quirky humor create an inviting read. -Library Journal There is much to admire in Racine s treatment of character and setting. -Booklist Racine s beautiful prose deftly handles these alternate narratives. . . [Teri s] perceptive voice adds depth and pathos to this modern-day bildungsroman. -Publishers Weekly.
