New Friends Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What did a thirteen-year-old boy think of Lake Havasu City when he first arrived in 1965? BORING! Why Rick Kingsbury s parents dragged him, his brother, and his sister to a town with less than 800 people, he had no idea. Living in a thirty-foot camp trailer with no running water and no electricity for the first year was no fun; neither was attending school with fifty students that year. Join Rick as he watches the town struggle and grow, adding new businesses, homes, and families faster than he can imagine. Through good times and bad, Rick comes to realize the early residents are as hardy as the pioneers who came across the plains in wagons a hundred years earlier. As he struggles to find his identity in a town as unique and different as each of its residents, not only will Rick s stories make you laugh, they ll take you back to your own youth.
