Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Thick flakes of snow are falling on Fifth Avenue at twilight - and then the body of a young man suddenly falls among them, mysteriously out of the sky. Momentarily the wheels of traffic are halted, but other wheels spin relentlessly on - the wheels of death, the wheels on which bloody murder moves silently through Manhattan s streets. Once again Miss Hildegard Withers, the schoolteacher-detective, matches her wits against an unknown X, armed only with the precious gift of common sense and a cotton umbrella. One youth is dead, and his twin brother moves under a cloud. Then death rolls past again, like a swifter Juggernaut, while Miss Withers faces the problem of the Driverless Roadster, the Man Who Wore Two Neckties, and the Symptoms of Bathtub Hands. Murder on Wheels is a fast moving mystery, packed with thrills for the fan who likes to play detective.
