HOW TO MAKE MONEY WITH YOUR PAINTINGS: MAKE \$5000 SELLING YOUR ART DRAWINGS AND ILLUSTRATIONS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Painting is one of the forms of art that is very much appreciated and it is great to have this talent. Do you have this artistic skill? And have you ever thought about making money by using this skill? If not, you are not alone. There are many people out there who are extremely artistic but they never publish their work due to many reasons that could possibly be vague and unrealistic. There is a stereotypical belief that artist who make money out of his artistic skills is a sellout artist. But this is only that, a stereotypical belief. If you think the same, then no one can help you and you can delude yourself into thinking that you are humble and stop reading this guide as this is about those who are willing to share their talents with the world and really get something out of it for the survival and acknowledgement of their art. First, this book is mainly for those who are already good at their painting skills or artistic skills in general. But those who are learners can also benefit from this guide. In the first chapter, simple introduction of what is painting has been told and then what could be the common and top subjects used by painters to paint and you will get familiar with what kind of paintings attract people so that you could use it for your benefit, these will be mentioned in second and third chapter respectively. Other chapters focus on how can you make money out of your paintings. Following is the sequence of the chapters included: - What is Painting -Top subjects for Painting -Paintings People Buy -Ways...
