Before falling into the hands of the Communists, he sends the Mongolian treasure to save it from his enemies. In the current age the members of an informal community of researchers called Bluthund keep track of that treasure in the Gobi Desert facing attacks from fearsome Mongol bandits, terrible sandstorms and persecutions of another rival organization working in the shadows. The findings in the Gobi lead them to a much more decisive search in Tibet with amazing and disturbing results. A vibrant thriller that will keep you in suspense until the end.
