Singing Turtle Press, United States, 2016. Paperback. Book Condition: New. 2nd ed.. 271 x 210 mm. Language: English . Brand New Book. Now announcing the second edition of the Algebra Survival Workbook, your tool for reaching algebra mastery. Now that the award-winning Algebra Survival Guide has been expanded and revised, the companion Algebra Survival Workbook has also been enhanced and updated. The second edition Algebra Survival Workbook features a whole new section with practice word problems. And not just any word problems. These are advanced algebra word problems. As a result of this addition, the Guide and Workbook now provide thorough, expert instruction on the toughest word problems that algebra can throw at students. The 2nd Edition Workbook s word problems cover the following topics: mysterious numbers and percents, coin problems, rate-time-distance, wind speed, current speed, fractional work problems, and those tricky mixture problems, too. All instruction for these word problems is contained in the Algebra Survival Guide, which contains a number of practice problems, too. But if you want many more additional practice problems, the Algebra Survival Workbook is the book to get. The Workbook contains thousands of additional practice problems with all answers displayed in the back. By working through these problems, students can attain a level of algebra excellence that is rightfully called mastery. Learn from the Guide; practice in the Workbook, and watch your understanding and grades improve dramatically!.
