

A Natural Man: The True Story of John Henry

By Steve Sanfield

August House Publishers, United States, 2014. Paperback. Book Condition: New. Peter J Thornton (illustrator). Reissue. 251 x 178 mm. Language: English . Brand New Book. This timeless ballad has been part of American folklore for over a century. Born with a hammer in his hand, John Henry discovers his true calling as a steel-driving man but he inevitably meets his match in a race against a steam drill that provides a powerful metaphor for the disruption and loss of innocence created by the industrial age. Thorne s soft charcoal drawings deftly capture the triumphal spirit of this cautionary tale.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
