After learning of her husband s affair, Jordan Radcliffe is crushed, but she knows she must stay strong for her three young children. So she moves back to Rosewood, the idyllic horse farm where she grew up. Wishing only to recover and reassess her life, Jordan feels an undeniable attraction to architect Owen Gage--and does her best to ignore it. Her heart is too fragile to love again. Yet when Owen, who himself is wary of any romantic involvement, offers her a job she badly needs, Jordan has no choice but to accept, even though it means she ll be working alongside him every day. And that closeness could intensify the connection between them--a desire as unnerving as it is powerful.
