

The Silver String Technique: Revise Smart, Achieve More

By MR Sebastian Webb

Createspace, United States, 2014. Paperback. Book Condition: New. MR Nick Thompson (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This fully illustrated quick-read guide book will teach you a revision and exam technique for essay-based exams that is so staggeringly useful it's worth writing a book about. The Silver String Technique combines 3 well established mnemonics (memory strategies) into a cohesive blend that is perfectly suited to the exam environment. It can be used by school students, university students, and adults with a variety of learning styles. This book will teach you how to: Write effective revision notes with the help of printable worksheets that can be downloaded online. Condense your notes to memory-jogging mind keys that can be scribbled down at the start of an exam. This cuts exam pressure in half. Quickly commit your revision notes to memory through rote learning and visualisation. Reliably access memorised material by deliberately looking up information in your head. Structure well formulated essay answers by using factually rich mind keys that double-up as essay plans. A concrete example of using The Silver String Technique in preparation for a hypothetical exam is provided throughout this...
