Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pitcher and Manda Plant Catalogue, 1894: Orchids, Palms, Ferns, Foliage, and Flowering Plants, Chrysanthemums, Hardy Plants and Shrubs This catalogue has been prepared to send out free of charge to all applicants. It has of necessity been condensed, the wide range of articles which go to make up our unequaled stock making it impossible to print extended descriptions, nor, indeed, to include one-half of the valuable and interesting plants which we have on hand. We have included the best varieties only. No plant mentioned is without its distinct merit. The plants described on the blue pages (2 to 16) are Novelties, either new introductions, new hybrids, or varieties which have been, heretofore, too rare for general distribution. Following this (pages 17 to end) will be found a condensed descriptive list of the best varieties of plants in all of the several departments which make up our extensive establishment.
