They live among us, abhorred, marginalised, despised. They are vampires, known politely as Sunless. The job of policing their community falls to the men and women of the Sunless Housing and Disclosure Executive - SHADE. Captain John Redlaw is London's most feared and respected SHADE officer. But when the vampires start rioting in their ghettos, and angry humans respond with violence of their own, even Redlaw may not be able to keep the peace. Especially when political forces are aligning to introduce a radical answer to the Sunless problem, one that will resolve the situation once and for all. "Redlaw" is New York Times best selling author James Lovegrove at his very best.
