Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, printed single-sided, grade: 1.3, University of Cologne (English Department), course: Medieval English Literature: Chaucer and his Contemporaries, 14 entries in the bibliography, language: English, abstract: The story of Troilus and Criseyd has been told many times by different authors during the centuries. Within this term paper a closer look will be taken at the works of Geoffrey Chaucer s Troilus & Criseyde and Giovanni Boccaccio Il Filostrato to illustrate that the story of Troilus and Criseyde can be interpreted from two different angles. Whereas, Giovanni Boccaccio focuses on the consequences of the relationship between Troilus and Criseyde within his work, Chaucer seems to be much more focused on the development of love in general- using the story of Troilus and Criseyde as a metaphor. Therefore, Chaucer uses the relationship between Troilus and Criseyde to present in what way the perception of love can change from happiness in to sorrow. To be able to narrow down and define the intentions...
