

The Affair: Recover from Illicit Sex, Lies and Betrayal (Paperback)

By Sue Hickey

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Most of us have either cheated or been cheated on at some point in our lives. The Affair, written by expert psychologist Sue Hickey and Philippa Sklaar (authors of When Loving Him Hurts), examines the psyche of both perpetrators and victims of affairs and anyone who struggles with monogamy and fidelity. I do not believe that an affair is necessarily enough to end a marriage and it does not signal THE END. There are always options. An affair, however, is often reason enough to end a relationship that has not yet become a marriage. The nature of trust is that it takes years to build and can be broken in a moment. It is a high-risk, high-return investment. The safer option would be to trust no one again - ever. The problem with that is that the human spirit wants to trust as it yearns to love. To deny ourselves that urge, that leap of faith, that partnership of love and trust, renders our lives safer but also poorer - Sue Hickey, author and therapist Ultimately, readers are...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
