

The Last Kind Words (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Random House USA Inc, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From award-winning author Tom Piccirilli comes what Lee Child calls perfect crime fiction, a wholly original novel introducing the Rands, a vipers nest of crooks and cons, one generation stealing from the next. Upon the razor-thin edge between love and violence lives a pair of brothers, their bonds frayed by betrayals and guilt, their loyalty to each other their last salvation. Raised to pick a pocket before he could walk, Terry Rand cut free from his family after his older brother, Collie, went on a senseless killing spree that left eight dead. Five years later, only days before his scheduled execution, Collie contacts Terry and asks him to return home. Collie claims he wasn't responsible for one of the murders--and insists that the real killer is still on the loose. Dogged by his own demons, Terry is swept back into the schemes and scams of his family: His father, Pinsch, a retired cat burglar, brokenhearted because of his two sons. His card-sharp uncles, Mal and Grey, who've incurred the anger of the local mob. His grandfather, Shep, whose mind is failing but whose fingers can still slip out a wallet from across the room. His teenage sister, Dale, who's flirting dangerously with the lure of the family business. And Kimmie, the woman Terry abandoned, who's now raising a child with Terry's former best friend. Terry pieces together the day his brother turned rabid, delving into a blood history that reveals the Rand family tree is rotten to the roots, and the secrets his ancestors buried are now coming furious and vengeful to the surface. A meditation on how love can confine a person just as easily as it...
