Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

FINANCING AMERICAN RELIGION

[DOWNLOAD PDF](#)

AltaMira Press, UK, 1998. Hardcover. Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. 208 pages. Money always has been a subject of deep concern for religious leaders. In recent decades, however, this perennial concern has taken on a new urgency as a crisis situation is perceived. Financing American Religion brings together short, readable essays representing the best, most up-to-date research and thinking on the intersections of money and religion. Sociologists, historians, economists, and theologians ask who gives, how much, and why. They investigate how money moves and how it affects religious organizational behavior. And throughout they explore how attitudes toward money have altered over time. Religious leaders and scholars of American religion will welcome this much-needed volume. Book Description: Money always has been a subject of deep concern for religious leaders. In recent decades, however, this perennial concern has taken on a new urgency as a crisis situation is perceived. Financing American Religion brings together short, readable essays representing the best, most up-to-date research and thinking on the intersections of money and religion. Sociologists, historians, economists, and theologians ask who gives, how much, and why. They investigate how money moves and how it affects religious organizational behavior. And throughout they explore how attitudes toward money have altered over time. Religious leaders and scholars of American religion will welcome this much-needed volume. : Review: Chaves and Miller provide a well-integrated, systematic, cohesive, and unified discussion of various aspects of religious financing. As such, this work will take its place as both a practical guide for religious leaders and laity, and as a brief but thorough introduction to research regarding finance and religion for scholars. -- Laura Vance, (Georgia Southwestern State University) Nova Religio: The Journal Of Alternative And Emergent Religions A richly textured conversation emerges out of this volume...
