Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

BULL RUN ITS STRATEGY AND TACTICS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Bull Run Its Strategy and Tactics Half a century after the event, the campaigns of the Civil War may well pass out of the domain of reminiscence to enter that of military history. As that term is now understood in other countries, it means the dispassionate, minute, and technical investigation of every form of military activity, from the organization of a mule train to the psychology of a general-in-chief; it cares little for eloquence, the picturesque, and the glorification or depreciation of individual heroes. From the point of view of the military art one can mark off, in the history of the Civil War, three periods. In the first, we find little but crudeness; in the second, crudeness is flanked by great daring and brilliancy; in the third, brilliancy sobers down to a ripe and masterly exposition of military science; first was Bull Run, then came the Second Manassas, and last of all the terrific struggle from the Wilderness to Appomattox. That is why one is tempted to begin at the beginning, to examine the conditions under which was fought the first conflict of the Civil War. By investigating its crudities, we shall understand better the brilliancy and the maturity that followed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
