

Big Game Hunting (Paperback)

By Judy Monroe Peterson

Rosen Central, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Readers of this book learn about hunter education, responsibility, planning hunts, hunting methods, and what tasks to perform after an animal is harvested. Big game hunters do not wipe out an entire population, and it's illegal to hunt animals that are endangered. Instead, licensed hunters support laws to protect wildlife from extinction and contribute to balancing wildlife populations. Some of the big game covered in this instructive guide include white-tailed deer, moose, elk, bear, and wild boar. Interesting sidebars support the narrative, and a rich resource section ensures that budding and responsible hunters have all they need to hunt the right way.
