It s a world filled with a variety of fairies, elves, and other curious creatures all illustrated by watercolorist, Shelah Dow. These odd beings are all splendidly detailed with one thing in common; they re all whimsical and fun. You ll find fairies that rest among flowers with dragonflies; a dragon queen with her fanciful friends flitting about; a cute robot girl with her little buddy; elegant fairies with stories to tell; and a darling little fairy girl with her best friend, a kitty cat. The designs in this book will appeal those who love dark, goth, Victorian, and steampunk fantasy creatures. You can find it all with these weird, wild fairies and friends. There are 32 new hand-drawn images in a varying degree of difficulty. Take on a challenge with some designs and then a break with a couple of the more simple fairies within. All images are individual with no repetition. Book is single-sided on 60lb medium white paper. You can color with crayons, pencils, gel pens and markers in this book. Blotter pages are included to place beneath your work. Alcohol markers and watercolor pencils may bleed, as with most coloring books. While children can enjoy many of the designs in this book, the artwork difficulty and design elements are mostly suited for teens and adults.
