

Leaders in Homoeopathic Therapeutics: With Grouping & Classification (6th Revised edition)

By E. B. Nash

B Jain Publishers Pvt Ltd. Paperback. Condition: new. BRAND NEW, Leaders in Homoeopathic Therapeutics: With Grouping & Classification (6th Revised edition), E. B. Nash, Nash covers over 200 remedies which have been enriched with various comparisons, cases and potency advises given at various places. He has presented the drugs in a wonderful but simplistic way where he starts with the doctrine of signature or the sphere of action of the drug. He covers the characteristics of the drug without going into unnecessary details. He has also given many examples of cases with the prescription and also comparisons at various places which are useful for practical application. The author gives various references from other classical books which makes the reading interesting. The 6th edition has been totally reconstructed: all the errors which crept in due to print media, have been checked and corrected; a bigger font has been used which makes reading a pleasure; Remedy and Therapeutic index have been placed in the start of the book which makes the book user-friendly; and a content page has been added which helps the reader to reach the relevant portion of the book promptly.
