Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The message is simple - God designed for you to be great, but He has left it up to you! He has given you authority over your circumstances and outcomes; that all God will achieve through your life will be in partnership with you. Greatness is all of God s beautiful potentials that you can realize; all the beautiful heights you can ascend and the rich depths you can descend. But there is a path to it, there s a price for it, and that s your part. To some extent, everyone s future is predictable, because the path they follow today determines the destination where they alight tomorrow. Today is the tomorrow you talked about yesterday. Today is a reflection of how you handled yesterday; tomorrow shall be an indicator of how you are handling today. The fingers point at you! This book is a mobile reminder to have you take responsibility, to have you show up and let God showcase what He has invested in your life!.
