Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

THAT CHESAPEAKE SUMMER

Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, That Chesapeake Summer, Mariah Stewart, From "New York Times" bestselling author Mariah Stewart comes the latest book in her celebrated Chesapeake Diaries, a small-town romance series in the tradition of Barbara Freethy, Susan Mallery, and Robyn Carr. Jamie Valentine is the wildly successful author of self-help books advocating transparency in every relationship. But when her widowed mother passes away unexpectedly, Jamie discovers her own life has been based on a lie. Angry and deeply betrayed, she sets out to find the truth—which may be in a small town on the Chesapeake Bay. Cutting her most recent book tour short, Jamie books a room at the Inn at Sinclair's Point, just outside St. Dennis. The death of Daniel Sinclair's father forced him to take over the family inn, and his wife's death left him a single parent of two children, so there's little room for anything else in his life. His lovely new guest is intriguing, though, and he's curious about the secret she's clearly hiding. But in the end, Jamie and Dan could discover the greatest truth of all: that the search for one thing just might lead to the find of a lifetime—if you keep your heart open.
