ALICE JAMES BOOKS, 2002. Paperback. Condition: New. New. Language: English . Brand New Book. Riddled with mistranslations, misappropriations, and malapropisms, Suzanne Wise imagines the world as a postmodern police state under attack: tables turn, tea carts explode, floorboards melt, ceilings sail off. Like the rebel girls in her poem *The Ghetto of Blasphemy*, Wise takes aim at the official rhetoric of patriarchy and reveals gender to be a tattered assemblage pieced together from a looted past. Wise charts the self through an inquiry into language, moving from World War II to a future where victim, oppressor, and bystander pose as the same person. Darkly comic, deeply feminist, *The Kingdom of the Subjunctive* is the last territory, an if-only border zone where doubt and desire are the laws of the land.
