

East Rock Park at New Haven, Conn: Illustrated in Photo-Gravure (Classic Reprint) (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from East Rock Park at New Haven, Conn: Illustrated in Photo-Gravure In the winter of 1823 the dead body of Elias Turner was found on the summit of the Rock, in a rude but he had himself built, and which had afforded him shelter through many previous winter storms. Tradition says he had been crossed in love, and becoming a misanthropic, secluded himself from his kind, led a wild and precarious life on the Rock, and was scarcely ever known to speak to a human creature. He was succeeded as monarch of the Rock by a squatter named Hubbell, who is still remembered by many old residents of New Haven as an eccentric character, making a meagre living by the sale of wood, which he hauled from the Rock and through the streets of the City by a goat team. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
