# ENCYCLOPEDIA OF AVICULTURE

Hancock House, 2007. Condition: New. The most up-to-date and detailed compilation of world wide Avicultural species recorded to date. Initiated as a book on African birds that feature in private avicultural and zoological collections around the globe, it soon became apparent that much of the information gathered pertained to aviculture worldwide. Recognized avicultural experts worldwide have contributed to make this a truly international avicultural handbook. A wide variety of valuable species are held outside of managed species programs and it..
