## TACKLING THE SUBJECT (PAPERBACK)

Pride Company, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sam struggles with issues from high school and his biology tutor triggers them all. Gordy isn't sure he wants to deal with the trouble Sam represents. Sam Doherty, a twenty-two-year-old computer science major, is struggling to pass the required classes in biology. While Sam is out and proud, he's secretly dealing with an assault he suffered in high school. Sam may be the president of the campus Gay-Straight Alliance, but he's struggling to find balance in his life. When he realizes he needs help with his class, he signs up for a biology tutor, but the guy who arrives for their meeting sets off all his triggers. Gordy Hager is a biology whiz kid, the best tutor at the University Help Center--and the star tackle on the football team. Sam despises him at first sight. Gordy is the brainless caveman athlete that Sam still has nightmares about. Unable to control his reactions, he drives Gordy away and makes it plain he will never ask for his help. One week and a failed quiz later, Sam knows he has to swallow his pride. But while Gordy might be a nice guy, he isn't going to help someone as insulting as Sam. Sam's determination pays off, and he gets Gordy's assistance, but his grades are only the first pothole their relationship hits. From their discovery that they both are gay, to supporting each other against family, their connection has more than its share of issues. But when their worst fears come to fruition, they struggle with a way to save Gordy's college football career and face Sam's issues of intimacy.
