Cynthia Moore, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Surviving the adult world is very challenging. Without a healthy emotional foundation, our interactions with each other are very child-like in nature and we fail to communicate our true needs, desires, or to obtain and sustain our goals. We ultimately crash into each other the same as two cars driving on the wrong side of the road. Then we are left pondering on what went wrong, or if we are not good enough. In this UPDATED 2nd edition (2014), the goal of ABCs of Relationships: Emotional Survival Games is to provide helpful insight and details about barriers and dilemmas that prevent us from maximizing our true potential in this life or aligning and bonding with compatible partners. Are you constantly asking yourself if something is wrong with you after unsuccessful relationships? Better yet, do others keep suggesting that something is wrong with you just because you do not have a mate? Well, think that no more! At last, a no holds barred down-to-earth Relationship Book that is full of real life scenarios and valuable self-awareness feedback that will help us get to the root of misaligned love and irreconcilable differences. ABCs of Relationships: Emotional Survival Games, in conjunction with the included workbook, offers a simple explanation on how to align and bond with others who are compatible to us in all areas of our life. Review: This is a really good guide for those who struggle over failed relationship issues and are now ready to take the journey to heal deep wounds. It will also bring them to a place where they can do an honest appraisal of things that can be done differently in order to get the results they are...
